GETWELL NEXT GEN

2 Year Financial Campaign

North Perspective

TO SEE THIS VISION COME TO REALITY WE NEED:

PRAYER

This is Getwell Hernando's first major project, which means we want to move forward carefully and wisely. It is of the utmost priority that all of us cover this project in prayer! You can pray generally for this project or use the weekly guide for guided prayer over this project.

FINANCIAL CONTRIBUTIONS

We want every person to be able to participate in this campaign. It will take a financial commitment from all of us to achieve this goal. Below is how \$2 million dollars can be raised over 2 years.

Previous Gifts towards Getwell Next Gen: \$300,000

2 gifts of \$80,000 *
2 gifts of \$50,000
8 gifts of \$20,000
10 gifts of \$15,000
20 gifts of \$10,000
30 gifts of \$7,500
50 gifts of \$5,000
= \$1,245,000

with remaining \$455,000 through various gifts

Total Getwell Next Gen Giving: \$2,020,000.

**This means two individuals willing to give two separate gifts totaling \$80,000 over a two year window.*

VISION

The Lord continues to shower his grace upon Getwell Church. Since our Hernando Campus launched at the beginning of 2020, we have continued to see new people and families become a part of Getwell. This is why Getwell Hernando is looking to build additional ministry space.

This addition of a Kids Ministry and Student Ministry spaces will allow for Getwell to increase the amount of families that walk through its doors and provide a more targeted atmosphere for its family ministries.

The Kids Ministry addition will include 6 new classrooms that will help serve our K-5th Grade Ministries, while leaving the existing classrooms to serve our Babies-PreK age groups. Additionally, there are plans to add a covered playground under the existing northern porte cochere. The Student Ministry space will be a multipurpose room that will allow a space for Students, but also additional meeting space for other church ministries.

We also know that as more families come to Getwell Hernando, our worship capacity will be need to be addressed. Therefore, our current Worship Room will be expanded towards the south to allow for more seating within our current building footprint. There will be new parking and lobby space that come with this addition.

Getwell Next Gen is a 2 million, 2 year giving campaign that will allow Getwell Hernando to continue to proclaim the wondrous works of Jesus to the next generation.
